Dear Mr. Twitchell:

On January 12, 2004, the Department of Environmental Services, Waste Management Division ("DES") conducted an inspection of DTE Motorsports ("DTE"). The purpose of the inspection was to determine DTE's compliance status relative to RSA Ch. 147-A and the New Hampshire Hazardous Waste Rules, Env-Wm 100-1100.

As a result of the inspection, DTE was issued Letter of Deficiency No. WMD 04-02 (the "LoD"). Based upon a review of DTE's submittals received on April 5 & 20, 2004, DES has determined that your facility has corrected the deficiencies identified in the LoD.

Please be advised that DES will continue to monitor DTE's compliance status through record reviews and on-site inspections.

If you have any questions regarding this letter, please contact the lead inspector, Eric K. Abrams or John J. Duclos, Supervisor of the Hazardous Waste Compliance Section at (603) 271-2942. Thank you for your cooperation.

Sincerely,
